

# HOSPITALITY ACADEMY SPONSORSHIP OPPORTUNITIES

## WHAT WE DO

The Academy was designed to combat homelessness and gang involvement while simultaneously providing a career exploration opportunity for at-risk youth. This 9-week job skill-training program strives to secure employment for graduating young adults as they prepare to exit high school and join the workforce.

**- THE AVERAGE COST PER STUDENT IS \$3,000 -**

This cost includes the class coursework and instruction over the nine week period, transportation, uniform, food preparation materials, and program overhead. We are looking for you to join us, and fellow formal partners (Culinary Lab, Anaheim Marriott, St. Jude Medical Center, and Price Waterhouse Cooper) to provide scholarship opportunities to one or more of our 80 students for the 2018 school year.

### **Scholarship Sponsorship Opportunities Also Include:**

- Logo recognition on all Hospitality Academy materials
- Recognition on Caterina's Club website as a specified scholarship donor
- Local media coverage noting your company's support (media covers graduation ceremony)
- Recognition in Caterina's Club's Annual Report
- 6 tickets to the graduation luncheon in which students prepare and execute a 3 course meal for friends, family, city dignitaries, donors and District Supervisors.
- Opportunity to hand out graduation certificates with other scholarship donors at the ceremony in March
